Harpers Valley Resort is located lakefront in a quiet cove called Fisher Creek on Table Rock Lake. Only 1/2 mile off HWY 13 on all paved roads. Just minutes away from Kimberling City Shopping Center, post office, several churches, restaurants and area story telling theater. We are only 8 miles from Silver Dollar City and 13 miles from all the fun shopping and music shows of Branson.

At a closer look we have just a 1/2 mile from a 9 hole golf course and just 7 miles from Stonebridge, one of the top 10 courses in Missouri. Just down our cove are 2 restaurants you can dock up to and run in for a bite to eat and with a full service marina just around the corner you'll have everything you need.

We are on a quiet dead end with no traffic past our resort by car or boat. Our facilities include a 22'X44" pool with pool side deck with tables, chairs, lounge chairs, pavilion with tables, ice, grill with serving area and plenty of sun or shade for relaxing.

For the kids we are a park like setting with plenty of room to run and play, ride bikes and play area with tetherball and other yard games.

For the boater we have concrete boat launch, covered and lighted dock with ele. hookup and fish cleaning station. Also ele hookup outside cabins.

You're sure to enjoy our fire pit for late night fun and hammock for a relaxing siesta.
